

28<sup>th</sup> January 2009

Dear Alert Systems,

Regarding your Mr. Jason Goss and Mr. Wayne Marlow whom have been present at my facility since 19<sup>th</sup> January installing CCTV, Intruder Alarm & Access control systems. These guys have been totally professional at all times and have been continually busy with this installation. They are a true compliment to your organisation, and very likeable / approachable guy's. They are very knowledgeable on what they were doing and asked for very limited input and just got on with the job at hand. Obviously this note is to advise that I am indeed thoroughly satisfied with the work these guy's have done and again they are a credit to your company.

Thanks & Best Regards
