2nd October 2008

Dear James

I would like to thank you and your colleagues for the excellent job of installing the External Deterrent System in our yard.

Firstly, I must say that your team were a pleasure to have on site. We were constantly kept informed of the progress of the installation work and they worked in a professional manner. We are particularly impressed with Gavin Russell who goes the extra mile to make sure we get the best out of our equipment.

Our confidence is high that the system will protect the business in a challenging crime location and the rental agreement is a logical way to maintain the system and easy cost to absorb as a running cost for protecting our business.

We only have the highest regard for your installation team and the standard of workmanship; we have no hesitation in recommending your company.

Yours sincerely

Geoff Kibble  
Managing Director
