RECEIVED 12 SEP 2005

For the attention of Andy Gillet

Dear Sir

I would like to take this opportunity to thank your installation engineers for the work carried out on this site during August.

The office was in full use while the installation took place, and found your engineers to be very accommodating having to work around a very busy office.

The work was carried out in a very professional manner, and the site was left clean and tidy, in fact tidier than before the installation took place.

Yours faithfully

Andrew Broadhurst
Finance Manager
on behalf of Greenvale Foods staff
