Hi Richard

Jason and Wayne have today completed the installation on the additional CCTV cameras along with the PA buttons and small system changes that we spoke about.

I would like to take this opportunity in congratulating Alert for providing me with professional, competent and dedicated technicians who have delivered a first class service and are a credit to your organisation. Furthermore, I would like to extend my praise to the rest of your colleagues, all of which have been excellent.

As the Facilities Manager at Meridian Audio, it gives me great peace of mind to have Alert Systems as a supporting contractor. The bonus for me is that I can pick up the phone and I can speak to people who are willing and able to sort out any issues that I might have with the security of our premises and staff.

Keep up the good work!

Best regards

Julian Leeming
