16 December 2004

Dear Mark

**Meridian Motor Park, Trowbridge**

I would like to take this opportunity to thank you and the team for the professional installation of the security systems on the Meridian project.

I would like to thank both you and Gavin for your excellent liaison with ATG and the main contractors, Adonis. I know at times this was very difficult, but your patience prevailed without a great deal of my involvement.

A job well done!

Yours sincerely

  
Mike Ratcliff  
Group Development Manager
